# Products We Make

## *Bedding*

We make our super soft duvet covers in all shapes and sizes- from Moses Basket, Cots- Round and Rectangle and all the way until King Sized Duvet Sets.

Hybrid Bedding is our very own super soft bedding option which we made with youngsters in mind. It has a smooth top that we make in your design and underneath is a really soft and fluffy fleece. It does not need an inner and can be used year round as it is not very heavy. Because it does not need to be ironed and created a wonderful - picture perfect appearance when tucked in around the mattress it is a real winner for moms and little ones. We make these from Moses Basket, Cots and Single/ Three Quarter Sizes. We can make bigger but it will include a join.

We make printed Fluffy Mongolian Fleece blankets in both single and double layer in all of our designs as well as in custom designs. We make these from Pram sized all the way until single/Three Quarter Bed Size. The Double Layer is what you want when it comes to the ultimate winter warmth! The pram sized is a very popular baby out and about size- used in prams, moses baskets, and at nap time.
